INTERSTATE 11 TIER 1 ENVIRONMENTAL IMPACT STATEMENT
(NOGALES TO WICKENBURG)

PUBLIC SCOPING MEETING

The Arizona Department of Transportation (ADOT) and the Federal Highway Administration (FHWA) invite you to attend a public scoping meeting as part of the environmental study for Interstate 11 (I-11) between Nogales and Wickenburg.

Public Scoping is a time at the beginning of the environmental study for the study team to learn from the community. As part of the scoping process, a series of public meetings will be held throughout the Corridor Study Area, including Wickenburg, Buckeye, Casa Grande, Marana, Tucson and Nogales. The public scoping meetings will provide study information, obtain community feedback on issues in the Corridor Study Area, and solicit input to form potential corridor alternatives. This public input will help ADOT and FHWA identify the selected corridor alternative and type of transportation facility.

WHAT IS I-11?

I-11 is envisioned as a continuous high-capacity transcontinental transportation corridor that has the potential to enhance movement of people and freight, and be a corridor to facilitate regional connectivity, trade, communications and technology.

YOU'RE INVITED TO PARTICIPATE: PUBLIC MEETING

Wednesday, June 29 | 4–6:30 p.m.

Wickenburg Community Center | 160 N Valentine Street | Wickenburg, AZ

Presentation: Approximately 4:15 p.m.

Following the presentation, the meeting will be held in an open house format. Study team members will be available to answer questions. The same information will be presented at each public meeting. For more information regarding the other meetings, please visit i11study.com/Arizona.

In accordance with the American with Disabilities Act of 1990 (ADA), auxiliary aids/services may be provided upon request by a person with a disability by calling 1-844-544-8049. Requests should be made as early as possible to allow for appropriate accommodations.

INTERSTATE 11 TIER 1 ENVIRONMENTAL IMPACT STATEMENT (NOGALES TO WICKENBURG)

PUBLIC SCOPING MEETINGS

The Arizona Department of Transportation (ADOT) and the Federal Highway Administration (FHWA) invite you to attend a public scoping meeting as part of the environmental study for Interstate 11 (I-11) between Nogales and Wickenburg.

Public Scoping is a time at the beginning of the environmental study for the study team to learn from the community. As part of the scoping process, a series of public meetings will be held throughout the Corridor Study Area, including Wickenburg, Buckeye, Casa Grande, Marana, Tucson and Nogales. The public scoping meetings will provide study information, obtain community feedback on issues in the Corridor Study Area, and solicit input to form potential corridor alternatives. This public input will help ADOT and FHWA identify the selected corridor alternative and type of transportation facility.

WHAT IS I-11?

I-11 is envisioned as a continuous high-capacity transcontinental transportation corridor that has the potential to enhance movement of people and freight, and be a corridor to facilitate regional connectivity, trade, communications and technology.

YOU'RE INVITED TO PARTICIPATE:
